## Garden Center Yard Crew

*Seasonal | Full-Time and Part-Time Positions Available*

# Company

**Breezy Hill Nursery & Garden Center**

# Position Summary

The Garden Center Yard Crew member at Breezy Hill Nursery & Garden Center supports outdoor sales, material handling, and yard operations with a strong focus on safety, efficiency, and customer service. This role works primarily in the tree and bulk materials yard, assisting customers with the purchase and loading of bulk materials, trees, shrubs, and perennials. Yard Crew members help maintain a clean, organized, and well-stocked holding yard while supporting receiving, inventory accuracy, and occasional installation assistance.

Experience operating skid steers or similar equipment is strongly recommended.

# Key Responsibilities

## Equipment Operation & Material Handling

- Operate skid steers and other yard equipment to load bulk materials such as soil, mulch, and gravel into customer vehicles
- Assist with loading trees and large plant material using equipment and proper lifting techniques
- Follow all safety procedures and equipment operation guidelines

## Customer Service & Sales Support

- Work directly with customers in the yard to select trees, shrubs, and perennials
- Answer basic plant and product questions and assist with locating material
- Suggest Breezy Hill delivery services and in-house installation crew when appropriate
- Coordinate with retail and design staff to ensure accurate customer orders

## Yard Maintenance & Organization

- Maintain the tree holding yard by keeping material watered, tagged, stocked, and organized
- Keep yard areas free of trash, debris, and hazards
- Maintain designated sold areas for customer pickups and scheduled installations

## **Receiving & Inventory Support**

- Assist with receiving incoming plant material and hard goods
- Check in product according to Breezy Hill SOP for receiving plant material
- Handle and submit receiving paperwork accurately to support inventory and record keeping
- Communicate discrepancies or plant quality concerns to management

## **Qualifications**

- Prior experience operating skid steers or similar equipment strongly recommended
- Ability to work safely around heavy equipment and moving vehicles
- Basic plant knowledge preferred; willingness to learn required
- Strong work ethic and ability to work independently and as part of a team

## **Physical Requirements**

- Ability to lift, carry, and move items weighing 50 lbs. or more
- Ability to work outdoors in varied weather conditions
- Ability to stand, walk, bend, and perform physical labor for extended periods

## **Schedule & Employment Details**

- Seasonal position with full-time and part-time opportunities available
- Hours include evenings, weekends and Holidays
- Schedule flexibility required based on operational needs

## **Employee Benefits**

- Employee discount on retail merchandise, including plants and garden supplies, per Breezy Hill employee discount policy
- Hands-on experience with equipment operation, plant handling, and landscape support
- Opportunity to develop skills in horticulture, logistics, and landscape operations

## **Skills & Attributes**

- Safety-conscious and detail-oriented
- Dependable, punctual, and self-motivated
- Comfortable working directly with customers
- Clear communication skills and team-oriented mindset
